Double Your Donation To The Community During DCF Endowment Matching Program

Dear DCF Contributor:

I am pleased to announce the Dearborn Community Foundation (DCF), Inc., is once again offering an endowment matching program called *Double Your Donation*. Through this exciting matching program, donors can double their donations to new or existing endowments that provide support to charitable causes in our community. *Double-Your-Donation* was established to encourage more individuals, organizations and businesses in our community to participate in philanthropy through endowment at the Foundation.

This is the 10th straight year DCF has offered the *Double Your Donation* endowment matching program. The matching funds are funded by the City of Lawrenceburg and DCF. There is \$100,000 in matching funds available in 2017.

The Foundation will match contributions to new or existing endowments \$1-for-\$1 up to a maximum of \$10,000 per donor. It's important to note that the program begins Monday, May 1, 2017, and contributions will be matched on a first-come, first-served basis as long as matching funds are available! It's important to act quickly, as these funds are typically matched in a short period of time. **Donations received prior to Monday, May 1, 2017, will not be eligible for a match!**

It's easy to participate in the *Double Your Donation* program. Simply make a contribution to a new or existing endowment and DCF will match it \$1-for-\$1. That means a \$10 gift doubles to \$20! A \$100 gift doubles to \$200! DCF will even match gifts as large as \$10,000, the maximum match allowed per donor. Remember, contributions are matched on a first-come, first-served basis.

To learn more about this fantastic opportunity to double the difference you can make in Dearborn County through contributions to endowments at DCF, please call me or DCF Accountant Cheryl Wessel at 812-539-4115, or stop by our office at 322 Walnut Street, Lawrenceburg. Foundation office hours are 9 a.m. to 4 p.m. Monday-Friday!

The DCF board of directors and staff are gratified to be able to offer an endowment matching program to encourage contributions to support charitable causes now and far into the future. As endowment funds build, our community becomes stronger and better positioned to meet emerging needs.

Please give every consideration to doubling your donation by contributing to the endowment of your choice during this unique opportunity.

Yours Truly,

Fred McCarter
Executive Director

For good. For ever.
